

Application Guide

Osaka YMCA was founded in 1882, with the aim of fulfilling the Biblical phrase, "Bring all the people as one," by transcending nationality, ethnicity, religion and belief. Osaka YMCA Japanese Language School was established in 1969 with the vision of the development of mutual understanding between people from different cultural backgrounds. Over 50 years, it has enabled people to develop a high level of language proficiency and to truly play an active role as a global citizen. We support each individual student to fulfill his or her purpose of life. We instruct students whole heartedly with the desire that they will grow to be a dedicated member of a harmonious society.

■ Comprehensive Japanese Language Course

- A curriculum with consideration for from countries do not use Chinese characters
- Persons who completed 10- or 11-year elementary and secondary educations

Please refer to page 3 for further details.

Comprehensive Japanese and University Entrance Course

This course is for those who aim to go to university in Japan. The easy-to-learn curriculum for learners from countries that do not use Chinese characters, in particular, will develop academic skills as well as advanced Japanese-language skills through their reasonable learning. Students will study in Japanese and learn about Modern Japanese Society, Geography, History, English, Science and Mathematics in order to pass the EJU (The Examination for Japanese University Admission for International Students / Nihon-Ryugaku Shiken). In addition, the school provides fine-grained course consultation services and career guidance according to the goal of each student through homeroom activities once a week along with proper counseling.

Approved by the Japanese Ministry of Education, Culture, Sports, Science and Technology

In order to fulfill requirements for going to universities in Japan, students must have successfully completed 12 or more years of formal education in their native countries. In the case of countries and regions where formal education until completion of high school is less than 12 years, applicants are disqualified from applying to universities in Japan. Applicants will be eligible to apply for universities in Japan after completing a University Preparatory Course approved by the Japanese Ministry of Education, Culture, Sports, Science and Technology and becoming 18 years old. The Comprehensive Japanese Language Course at the Osaka YMCA has been approved as a University Preparatory Course by the Japanese Ministry of Education, Culture, Sports, Science and Technology.

■ Practical Japanese Language Course

Please refer to page 5 for further details.

Japanese language that is practical for daily life and business

This course offers Japanese classes which are useful for daily life and business. The beginner and intermediate courses provide basic Japanese classes. The four technical skills are divided into two related groupings, listening-speaking and reading-writing, so that the students are able to improve their Japanese abilities intensively and effectively. In the advanced course, half of the classes are electives. Students can select five electives which match their own study purpose from within the following themes, Business, Culture and Academic. In addition, Job seeker from Intermediate class and above can get professional consultant. On the other hands, receive guiden to compose the CV, Entry sheet, also how to get a interview or how to begin the job hunting.

- Depend on overseas agency, you may have to pay in advance. Please confirm for more informations.

3. Refund

* The application fee is a handling fee for the Osaka YMCA and is used to make a decision whether or not to accept an applicant. (It is not the fee to apply for your visa.) The examination fees are not refundable.

* Tuition is not refundable except in the following cases.

① Before Starting Your Course

- When the visa application is rejected even though the proper application procedures were followed, the full amount including entrance, tuition and materials will be refunded.
- When cancellation of acceptance is for personal reasons, the full amount, excluding the entrance fee, will be refunded.

② After Starting Your Course

- If a student is accepted by a university in Japan before completion of the Japanese language course and the university's term parallels with that of the Osaka YMCA's, the tuition equivalent to the remainder of the term will be refunded. All handling charges will be deducted from refunds.

V. Other Features / Benefits

Volunteer and Mutual Exchange

★ Volunteer Tutor System

Weekly tutorials by Japanese volunteers offer enjoyable conversation practice and opportunities to interact with people.

Students can freely talk about Japanese people, Japanese culture and their own country. They will be able to brush up their speaking skills in a friendly atmosphere.

★ There are plenty of opportunities to interact with Japanese people.

By participating in volunteer programs organized by the Osaka YMCA and having close contact with people in elementary schools, junior high schools and high schools in the local community, students will have more opportunities to meet Japanese people and be able to expand their network.

Support System

★ Student 24 hours Mutual Insurance

All students can join the system at the Osaka YMCA. This system covers accidents and damage that take place in school life and daily life. It also prepares for situations such as environmental changes at home, whereby students are unable to continue to go to school.

※It is applied to medical expenses in case of incidental injury, liability compensation for accidents caused by students in daily life, and death of students or their sponsors due to injury or illness. Support is available 24-hours a day both in Japan and overseas.

※In the case of illness or injury, you will need to pay your own medical expenses. For this reason, those staying in Japan more than 1 year need to join Japanese National Health Insurance Program. Those who come to Japan and enter school with a temporary visitor visa, please obtain travel insurance in your country.

★ To Christian Clergymen and NGO and NPO Workers

The Osaka YMCA provides a special discount and scholarships for school tuition to those who are Christian clergymen, NGO or NPO workers who are required to acquire Japanese language.

★ Reduction and exemption system

We have reduction and exemption system for those who have already passed below test score.

① JLPT N2 or N1

② EJU (Examination for Japanese University Admission for International Students): Students with above 220 score, excluding the score of Writing test. ※Only for those who apply for Comprehensive Japanese Language Course.

③ J.TEST (Test of Practical Japanese) A-C level test: Above 600 score.

④ The Japanese Language NAT-TEST: Above Level 2.

⑤ J-Cert (Certificate of Japanese as a Foreign Language): A-course Pre-Advance or Advance Level.

⑥ JPT (Japanese Proficiency Test): Above 525 score.

⑦ TOP-J: Above Intermediate B.

If you want to apply for the Reduction and exemption system, please tell us when you submit your Application form.

You need to submit a written oath and a certificate showing above test score.
